Dear Mr Goh,

**APPRECIATION FOR YOUR GENEROUS DONATION**

On behalf of Singapore Cancer Society and the beneficiaries we serve, I would like to express my heartfelt appreciation for your generous gift of **\$9100** from January to December, 2018.

Your commitment to supporting our mission to 'Minimise Cancer and Maximise Lives' is greatly appreciated.

Many of our beneficiaries had their incomes and lives affected when they were diagnosed with cancer. Your donation has been crucial in enabling SCS to support our beneficiaries like Madam Kamsiah in their cancer journey.

Madam Kamsiah and her husband were referred to SCS for medical care and support after they were diagnosed with cancer. Your contribution has aided in Madam Kamsiah and her husband receiving medical treatments.

"As a cancer patient with kidney failure, my medical fees were hefty. Our medical expenses doubled when my husband was diagnosed with stage 3 lymphoma cancer.

Thank you for assisting us by providing cancer treatment subsidies and welfare aid. These financial aids lifted the heavy burden on our finances, allowing us to focus on our recovery."

The tremendous support from donors like yourself, is a strong testament to our message that no one needs to walk this journey alone. Together, we can bring HOPE to those who are battling against cancer and impact their lives positively.

We would like to acknowledge your kind support in our publications. Please email [fund\\_raising@singaporecancersociety.org.sg](mailto:fund_raising@singaporecancersociety.org.sg) if you do not wish to be acknowledged.

Once again thank you for your generosity. Let's continue the fight against cancer together.
