Dear

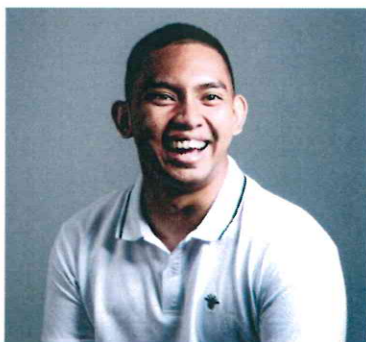

### APPRECIATION FOR YOUR GENEROUS DONATION

Every day, 35 people are diagnosed with cancer in Singapore. 1 out of every 3 Singaporeans dies as a result of cancer. Though the statistics are alarming, we believe that every life is worth fighting for.

On behalf of Singapore Cancer Society (SCS), I would like to express my heartfelt appreciation for your generous gift of **\$11,000**. Due to your generous contribution, we are able to support many beneficiaries such as Mdm Afizah who was diagnosed with Stage 4 colorectal and liver cancer in 2017.

The impact of cancer can be devastating for the patient and also family members. Her son, Danie Afiq Bin Salimuka recalls the time when he found out about his mother's diagnosis. "I was in shock and my mind went blank. Somehow I managed to tell her to be strong... seeing her pull through, I felt more motivated to do her proud," said Danie.

With the unwavering support from donors, SCS provided Mdm Afizah with a monthly supply of stoma bags and financial assistance through the **SCS Welfare Aid Fund** and **SCS Cancer Care Fund**. Danie also received school allowance grants from the **SCS Education Financial Assistance Scheme**.

**"I am grateful for the help rendered to my mom and \$150 monthly allowance that the scheme provides for me. The allowance helps with my pocket money for food and transport and takes the financial burden off my parents."**

We would not have been able to sustain these initiatives without the generous contribution of our donors and partners. Thank you for making a tremendous difference in the lives of those impacted by cancer.

Should you have any enquires about your donation or if you would like to make changes to your publicity consent, please email us at [fund\\_raising@singaporecancersociety.org.sg](mailto:fund_raising@singaporecancersociety.org.sg).

Once again, thank you for your generosity. Let us continue the fight against cancer together.

Yours sincerely,
